

LOUISIANA DEPARTMENT OF PUBLIC SAFETY & CORRECTIONS
PUBLIC SAFETY SERVICES

H. "BUTCH" BROWNING, JR.
STATE FIRE MARSHAL

OFFICE OF STATE FIRE MARSHAL

MEMORANDUM

To: Industry Partners
OSFM Staff

From: Joe Delaune, Chief Architect

On Behalf Of: Chief Butch Browning, State Fire Marshal 

Date: June 26, 2017

Re: **Code Adoptions Scheduled for July 1, 2017**

Note: This memo replaces the memo dated April 27, 2017 on this subject. See update regarding Louisiana State Uniform Construction Code adoptions below.

Newer editions of the adopted codes and standards are typically published and promulgated on a three year cycle in order to address current issues and to keep pace with construction means, methods and technology changes. As such, beginning July 1, 2017 the plans and specifications for structures to be built or remodeled in the state of Louisiana shall be submitted for review and drawn in accordance with the applicable requirements of the following primary publications:

1. the NFPA 101 *Life Safety Code*, 2015 Edition (excluding chapter 5, which may be used as a basis for equivalency determinations);
2. the publications referenced in chapter 2 of the NFPA 101 *Life Safety Code*;
3. the applicable provisions of the NFPA 1 *Fire Code*, 2015 Edition;
4. the fire protection and life safety provisions of the most recently adopted *International Building Code (IBC)* by the Louisiana State Uniform Construction Code Council (LSUCCC). See below for referenced documents;
5. the most recently adopted editions of the Louisiana State Uniform Construction Code (LSUCC) for Industrialized Buildings and for building code reviews performed on behalf of parishes and municipalities;
6. the 2016 editions of NFPA 13 for Sprinkler Systems, NFPA 13D for Domestic Sprinkler Systems, and NFPA 13R for Residential Sprinkler Systems;
7. and the 2016 edition of NFPA 20 for Stationary Fire Pumps.

In addition to the documents outlined above, plans and specifications for specific structure uses shall be drawn in accordance with the requirements of the following publications:

1. NFPA 30A: Code for Motor Fuel Dispensing Facilities and Repair Garages, 2015 Edition;
2. NFPA 32: Standard for Drycleaning Facilities, 2011 Edition;
3. NFPA 33: Standard for Spray Application Using Flammable or Combustible Materials, 2011 Edition;
4. NFPA 37: Standard for the Installation and Use of Stationary Combustion Engines and Gas Turbines, 2015 Edition;
5. NFPA 51: Standard for the Design and Installation of Oxygen–Fuel Gas Systems for Welding, Cutting, and Allied Processes, 2013 Edition;
6. NFPA 59A: Standard for the Production, Storage, and Handling of Liquefied Natural Gas (LNG), 2013 Edition;
7. NFPA 140: Standard on Motion Picture and Television Production Studio Soundstages, Approved Production Facilities, and Production Locations, 2013 Edition;
8. NFPA 400: Hazardous Materials Code, 2016 Edition;
9. NFPA 407: Standard for Aircraft Fuel Servicing, 2012 Edition;
10. NFPA 495: Explosive Materials Code, 2013 Edition;
11. NFPA 664: Standard for the Prevention of Fires and Explosions in Wood Processing and Woodworking Facilities, 2012 Edition;
12. NFPA 1221: Standard for the Installation, Maintenance, and Use of Emergency Services Communications Systems, 2013 Edition.

As of July 1, 2017, the plans and specifications for facilities licensed, certified, or seeking licensure or certification by the Louisiana Department of Health and submitted to the state fire marshal for review in accordance with R.S. 40:1563.L shall be drawn in accordance with the applicable requirements of the following publications:

1. The 2014 edition of the Facility Guidelines Institute (FGI) publication titled “Guidelines for Design and Construction of Hospitals and Outpatient Facilities”, where required by rules published by the Louisiana Department of Health for hospitals and outpatient facilities;
2. The 2014 Edition of the FGI publication titled “Guidelines for Design and Construction of Residential Health, Care, and Support Facilities”, where required by rules published by the Louisiana Department of Health for residential health, care, and support facilities;
3. Rules published by the Louisiana Department of Health as applicable to the Physical Environment for licensed or certified facilities.

UPDATE:

There will be no newer editions of the codes adopted by the Louisiana State Uniform Construction Code Council (LSUCCC) before June 1, 2018. The following building codes will remain in effect until further notice by the LSUCCC:

1. International Building Code (IBC), 2012 Edition, not including Chapter 1, Administration, Chapter 11, Accessibility, and Chapter 27, with various amendments;
2. International Existing Building Code (IEBC), 2012 Edition, not including Chapter 1, Administration, and the standards referenced in that code;
3. International Residential Code, 2012 Edition, not including Parts I-Administrative and VIII-Electrical, with various amendments. Appendix J, Existing Buildings and Structures, may be adopted and enforced only at the option of a parish, municipality, or regional planning commission;
4. International Mechanical Code (IMC), 2012 Edition, and the standards referenced in that code;
5. International Plumbing Code (IPC), 2012 Edition, with various amendments. The appendices of that code may be adopted as needed if referenced by name;
6. International Fuel Gas Code (IFCG), 2012 Edition, and the standards referenced in that code.

See Executive Order Number 17-14 (JBE 17-14) issued by Governor John Bel Edwards on June 14th, 2017 for additional information:
